JUNE 2020 NEWSLETTER

Well, June is not exactly bustin' out all over, is it? We would have loved to tell you play at our club can resume, but sadly, not yet.

COVID-19 UPDATE – JUNE 2020

With the WA Premier announcing relaxation of COVID-19 restrictions this weekend, you may be wondering when we will get back to the Bridge Tables?

Sadly, "not yet".

We meet most of the conditions except for the physical distancing. The rule of keeping people 1.5 metres apart is not feasible due to the sizes of our tables. So, unless we all have extremely long arms and great eyesight we cannot restart just yet!

But, rest assured your committee is checking daily; we have complied with the Government regulations regarding instigating a Covid-19 plan and are compliant with rules regards sanitization etc.

We all appreciate your patience.

SADIE BRIGADE

Fourteen stalwarts – lusty, strong, club members – armed with buckets and cloths met on a Wednesday morning in May to give the club rooms a thorough cleaning. We washed and dusted where no beam of light has ever reached – we disinfected and polished – until not a biscuit crumb or spec of dust could be found. Heartfelt thanks to those wonderful members – Thanks!!! The team attempted to ensure the isolation rules were adhered to but held their breaths for a thirty second interval for the obligatory photo shoot. Again – many thanks to all involved!

Recycling those lids

Members are thanked for their diligence in bringing in the plastic lids for recycling. They were going to a factory in India to make prosthetic hands and feet. However, they have asked us to hold off for a while until they get more funds to keep the enterprise going.

However, in the meantime, there is another fantastic enterprise happening in Margaret River where the plastic is recycled into pots.

So to keep the recycling going, members are encouraged to keep bringing in those plastic lids. Please remove the inserts before washing them to bring

Not as many birthdays as in May!

But to those 7 Members we send best wishes and hope you enjoy your special day during these very different times.
